BACKGROUND INFORMATION

The Albany County Land Bank Corporation's ("Land Bank") was established in 2014 by Albany County to facilitate the process of acquiring, improving and redistributing vacant and abandoned properties. The Land Bank is a nonprofit organization committed to revitalizing neighborhoods and strengthening communities throughout Albany County. The Land Bank owns a variety of properties including both vacant buildings and lots. Currently the Land Bank owns about 500 properties.

Many Land Bank buyers are first time homebuyers and often also seek to renovate a home for the first time. As part of a pilot program to help provide guidance to these buyers the Land Bank is seeking a Renovation Mentor Consultant. This individual will be contributing to the mission of the Land Bank and assisting first time home buyers through the renovation process. This pilot program will start with five (5) buildings but the availability of additional work is possible if the pilot is expanded.
